

EXPLORE HOUMA WITH A GEOTOUR

With forty geocache locations to find, Houma offers one of only fifty GeoTours in the whole world. Complete our tour over many visits, or make a weekend out of it and enjoy Houma's great food and hospitable accommodations.

When you locate at least 35 of the 40 caches on the tour, you will receive a signature Explore Houma geocoin.

WHAT IS GEOCACHING?

Geocaching is a free, global, real-world, outdoor treasure hunt using GPS-enabled devices to navigate to cleverly hidden containers called geocaches. Our unique GeoTour will lead you on an amazing adventure where you'll discover Terrebonne Parish's rich history, breathtaking landscape and diverse culture.

HOW IT WORKS:

- Visit Geocaching.com to register a username — basic membership is free.
- Download a geocaching app to your smartphone and find the Explore Houma GeoTour (or upload the coordinates in a GPS device from geocaching.com).
- Travel throughout Terrebonne Parish to locate the hidden caches.
- When you find a cache, sign the log and write the secret code word on your “Cache de Crawfish” passport. You may discover some trade or swag items (small toys, keychains, stickers, trinkets) inside the geocache. The general rule of thumb is if you take something, leave something of equal or greater value. Then, place the container back exactly how you found it.
- Record your find on Geocaching.com
- After locating at least 35 of the 40 caches, take your passport to the Houma Area Visitor Center to receive your signature Explore Houma geocoin.
